GOLF CLUB RE-ORGANIZES

An enthusiastic meeting of golfers was held in the Town Hall Thursday evening when the Sugar City Golf Club was re-organized and plans laid for the season's play. Officers are:

President, F. R. Taylor.
Vice-Pres. M. T. King.
Sec.-Treas. O. H. Snow.

Membership Committee Chairman, Lee Brewerton.

Fees are the same as last year, and players who wish to join and find it inconvenient to pay in a single payment, may pay in smaller amounts.

The course is being fixed up in good shape, and with the shortage of gasoline and tires the Club hopes that local golfers will all support the Club and make it a real season of golf in Raymond.

Funeral Services For Joseph A. Snow

Funeral services over the remains of Joseph Snow aged 55, were held in the Stake House last Friday afternoon with his and consolation to the members of the family. The hall was filled with relatives and friends, many of whom had travelled great distances to show their respect to one who was a pioneer and always held out a helping hand to everyone.

Ira McBride had charge of the choir, and speakers were Pres. Heber F. Allen of the Stake Presidency, Elder J. W. Evans and Bishop J. O. Hicken.

In the family history, it was revealed that Jos. Snow came to Canada nearly forty years ago with the Meeks Bros. and settled first here in Raymond, then homesteaded near Vulcan where the family lived until the children commenced school when Raymond was again the home of the family until just a few years ago when another move was made to some ranch property near Milk River. The home of Jos. Snow was always known for the hospitality of the home, known far and wide.

Elder Evans gave a fine talk on the resurrection and life after death and offered comfort to the family. Bishop Hicken expressed his appreciation of Jos. Snow and the family, and on behalf of the family thanked all who assisted during the illness and death of the deceased.

Interment was in the family plot in the local cemetery, a large cortege following the hearse. Our sympathy is extended to the family in their sad bereavement.

Shirley King has volunteered for service in the Military Postal Department and is in Calgary now taking his examination and preparing to enlist.

Pres. M. T. King and Bishop Tyrell's Lake on Sunday last were speakers in the High Council and Bishop L. L. Palmer were speakers in the Warner branch. All report a very enjoyable visit.

THE PLEBISCITE

On Monday, April 27th, 1942, the Canadian Democracy is asked, to go all out, into action. On that date Canadian Citizens are being asked by Parliament to go to the polls and vote. The question upon which your opinion is solicited is, "Are you in favour of releasing the government from any obligation arising out of any past commitments restricting the methods of raising men for military service?"

A pledge not to conscript men for overseas service, was given by the leaders of the two major political parties at the last federal election. It was given again by the government, on the day on which parliament declared war in 1939, and again when the war measures act was passed by the House of Commons. Therefore, that the government should be perfectly free to act in these critical times, the people of Canada are asked to vote YES, to release the government from its pledge not to conscript men for overseas service.

The imminence of war draws daily closer, and closer, to our shores. The enemy is spreading wider, and wider, his sphere of conquest on sea, in the air, and on land. The marshaled might of tyranny threatens with tumultuous force, our security and freedom. In face of this crisis, parliament is asking the people of Canada to rally to the polls to vote YES, thereby placing the full responsibility of the disposition of men in the Active Army upon the Government of Canada.

Vote Yes . . . that the last barrier to immediate action may be removed.

Vote Yes . . . that the full responsibility may rest squarely upon the government and parliament to decide the issue of conscription for overseas service.

Vote Yes . . . that the voice of a free people may be heard with resounding certainty in every capitol of the world.

Vote Yes . . . that public opinion may prove to our enemies that democracy is effective, and can act promptly, and heroically.

I should like to emphatically appeal to every citizen to register his or her vote on Monday, April 27th. It will be your personal effort to help defeat Hitler. Apathy or indifference, on the part of any citizen in this perilous hour, is an indication of unworthiness to be entrusted with the franchise. The ballot is the Canadian's sacred token of citizenship and the sign of his or her responsibility in a democratic state. The honor and unity of Canada, and her duty to humanity depend on the response of the people to this vital question. Vote Yes, on Monday, April 27th.

JOHN CAMPBELL BOWEN,
Lieutenant-Governor.

NEWS NOTES

Help us get the news. Phone Lord MacPhee has been ill or send in your news items. for a few days but is around again now.

The scrap iron gathered last year and stored near the Ellison Elevator was sold this week and the proceeds will be used for war services.

J. W. Evans received news Saturday afternoon of the death of his brother Frank, in Layton Utah, and he immediately left by plane Monday afternoon from Lethbridge to attend the funeral services. Deceased was four years younger than J. W.

After nearly two weeks the local Egg Grading Station is going steadily and getting most of the eggs from the district. We are informed that there is still some bootlegging going on. This grading is a protection to producer and consumer and should be supported 100 per cent.

The refuse box on the corner by the Broadway was practically ruined Tuesday evening when some of the boys lighted the refuse which had been deposited in the box. The heat from the fire ruined the signs which had been painted on the sides and milk supply and preparing to make an awful looking mess of the box.

It's time for another Salvage Drive. Here's a chance for one of our Service Clubs to carry on a real community project.

Mrs. Wm. C. LaMarr of Calgary is visiting here with her father Nephie McLean and other relatives.

Mrs. John Hyaldia, who lives on the N. Y. Taylor farm was shaken and bruised last week when she was dragged 50 feet or so by a cow. The cow was being taken to water, and in some way the rope became tangled around her foot and she was dragged down as the cow started to run.

Messrs MacDonald and McCallum, Dairy Inspector and Commissioner were in town last Friday and met with the Committee on the Cheese Factory.

They were well pleased with what had been done and with the Committee visited the proposed site and expressed their preference. The Committee is now charting the location of the new supply and preparing to apply for their Charter. Let's all support this move.

Army Train At Lethbridge On Sunday

LIONS MEETING

The Raymond Lions met in the Sugar Bowl on Monday April 20. "Oh Canada" was sung and prayer was offered by Lion Dean Rolfson, with 15 members and one visitor being present.

The attendance was small owing to many of the members being busy in the fields.

Dr. Madill was present to discuss the proposed new Hospital for Raymond and district but after a short discussion with the club it was decided to postpone his talk until the next meeting when more members would be present.

Lion E. Nilsson gave a talk on the San Francisco Bridge.

The meeting closed by singing the National Anthem.

The 15 Canadian Army train, which we described in these columns some weeks ago, will be in Lethbridge Sunday evening from 6:30 to 11:00 p.m. and it is hoped that all Raymond people who can, will take advantage of this stop to inspect the train.

Designed to show to Canadians where the war dollars are being sent, it carries tanks, guns, ammunition, trucks, carriers, cars, motorcycles and what not as well as several cars of technical equipment which all goes to the equipment of forces in active service. It will be a trip well worth while and will give us in Western Canada a greater appreciation of what Canada has done and will be doing for a long time to help to win the war. Remember, Sunday, 6:30 to 11 at Lethbridge.

DELIVERY REGULATED

Local merchants received notice Thursday night that henceforth no delivery can be made of any purchases of less than one dollar in value. This is from the Wartime Prices and Trades Board, so Mr. and Mrs. John Q. Citizen don't embarrass your storekeeper by asking him to deliver small orders and forcing him to say no.

This ruling should work no hardship on anyone, and we understand it is only the beginning, and drastic reductions in delivery practice are in the offing. Better start now to plan your ordering and save any future disappointments.

Art Garrett, ledger-keeper at the local Treasury Branch for the past several months has been transferred to Ponoka, and will commence work there on May 11th.

Sergeant Francome Selman of the R.C.A.F. and Sergeant Harold McBride of the 21st R.C.A. were guests and speakers at Rotary meeting Monday and answered several questions with respect to their training.

ST. MARY'S PROJECT RECOMMENDED

A report tabled this week in Ottawa recommends the building of the enlarged St. Mary's river irrigation project as a post war rehabilitation scheme at a cost of \$15,000,000.

The project is recommended as a program spreading over fourteen years, and when completed would more than double the irrigated acreage lying south of the C.P.R. main line. It would be a joint Dominion-Provincial undertaking with both governments sharing about the same percentage of the cost. Efforts are being made to proceed with some of the reservoirs at once to stabilize programs under present irrigated systems which suffer from lack of water at season's of late summer.

John L. Townsend 92 pioneer and hymn writer in the Church passed away this week in Salt Lake City, and is being buried in Payson. Deceased was brother-in-law of Grandma Hancock and will no doubt be remembered by many Payson people now living in Raymond.

Alfred Garner Buried In Cardston

Funeral services over the remains of Alfred Garner, aged 83, who passed away Tuesday afternoon of last week, were held in the 2nd Ward Church Saturday afternoon at 2 p.m. with Bishop L. L. Palmer in charge. The choir was under the direction of Jos. McLean with Mrs. Emma Dahl at the console.

Palh bearens were four sons, a son-in-law and a grandson of deceased, as follows: Ralph, Arthur, Herbert, Harold and Wm. A. Anderson and David Leishman who followed the lovely pearl grey casket into the Church, followed by the large body of mourners mostly from the Hill Spring district where the Garner family spent so many years.

Hymns by the choir were "Oh My Father," "What Prize Shall be Your Reward" and "Abide With Me." Mesdames King and Walker sang "Good Morning Up There," Jos. McLean sang "Goin' Home," and Mrs. Forest Wood sang "Good-night."

Speakers were Bishop J. H. Walker and Elder Jas. S. Anderson.

erson, both of whom praised the life of faith and devotion of deceased and the fine example he had always given his family, and spoke of the happiness that he would enjoy in meeting again with his dear wife and children who had preceded him into the spirit world. They spoke of the resurrection and the promises it held out to those who understood and believed according to its teachings.

On behalf of the family Bishop L. L. Palmer spoke briefly thanking all for their kindness shown in deceased's recent illness, and he paid tribute to the faith and humility of deceased another of our pioneers who had finished his mission.

The opening prayer was by Elder J. W. Evans, the benediction by Elder Clifford Dahl, and the grave was dedicated by Elder Ralph Garner, burial taking place in Cardston beside Mrs. Garner in the family plot there. A number of cars accompanied the hearse on the trip to Cardston, and Bishop Palmer made the trip to take charge of the dedication of the grave.

Our deepest sympathy goes out to the family in their loss.

RE THE PLEBISCITE

Mr. R. S. Law, President of United Grain Growers Limited, has issued the following statement:

As President of a Farmers' Company, I welcome the opportunity to urge that every possible vote in Western Canada should be got out on April 27th so that the answer from the prairies to the Plebiscite shall be a resounding "Yes."

So far as Western farmers are concerned, there is no need to argue that every restriction must be removed that stands in the way of making the Canadian war effort as effective as it can possibly be made. There is no part of the country that has a greater realization than prevails on the prairies of what is at stake in the war or a greater determination that every ounce of this country's strength shall be employed in its prosecution. In every branch of the fighting services there are young men from prairie farms and such young men are to be found on every fighting front. Although such enlistments have created a shortage of farm labor, recent government announcements indicate that the supply of essential farm labor is to be protected under arrangements for selective service.

But there is a real danger that farmers of Western Canada

may fail to make their opinions fully effective on April 27th, for polling day comes at a busy time of the year. It is not enough to be in favor of the answer "Yes" to the Plebiscite; it is necessary to get out and register that opinion by a vote. It is necessary to remind members of the family neighbors and friends to go to the polls and to see that no vote goes unpolled through carelessness or neglect or through lack of transportation.

For this Plebiscite there will not be the usual campaign machinery to get out the vote, and we shall all have to take our part in replacing that organization.

Western farm organizations such as our Company, have had much to say recently about the national importance of Western Canada about the determination of Western farmers to play their full part in the national effort and about what has to be done to make that possible. Now it becomes a duty of such an organization to remind its members of the national task that is to be performed on polling day. On that day, a question is being put to the people of Canada and we must see to it that the answer given from the prairies is clear and strong.

STUBBLE BURNING

Researches by Ducks Unlimited (Canada) show that destruction of waterfowl nests by stubble burning in spring averages one nest to three acres in good duck breeding areas; to say nothing of the loss of nests of meadowlarks, Prairie Chicken, Hungarian Partridge and other ground nesting birds.

This great destruction can be avoided if stubble burning is done before April 15, as few birds have started to nest by

that date.

Early burning will prevent birds from nesting in stubble fields and thus save the nests from destruction by arm operations.

A countrywide effort through Ducks Unlimited's more than 2,000 Keenmen, the Western weekly newspapers and Western radio stations is underway during the next ten days to eliminate this great loss to wildlife.

All friends of wild life are asked to co-operate.

More birds mean fewer insects and less crop loss—thus contributing also to the National War Effort.

Men and wildlife can thrive together.

To fill the British quota Canada must produce and ship, in the form of bacon, some 5,250,000 hogs. In addition Canada needs about 2,000,000 hogs for home consumption; in all, this country must produce some 7,250,000 hogs.

The National Barley and Linseed Flax Committee estimate that it will require about 145,000,000 bushels of barley to feed these hogs; about another 18,000,000 bushels to supply the maltsters and mills and provide seed for the farmers. In all, Canada should produce about 160,000,000 to 185,000,000 bushels. Eastern Canada produces about 20,000,000 to 25,000,000 bushels. This leaves about 140,000,000 bushels to be produced in Western Canada. Last year

this area produced about 100,000,000 bushels. To increase this to 140,000,000 bushels means that 2,000,000 acres more must be planted to barley in 1942. This with the amount required for export and a reserve supply will require over 2,500,000 acres increase.

This means a definite switch from wheat to barley. To insure that the farmer will not lose by this change, the government has guaranteed a price of 60 cents a bushel, basis No. 2 C. W. Six row in store Fort William, and a \$2.00 per acre bonus. If fed to hogs it is estimated that the barley will be much more profitable; about 72 cents per bushel plus the \$2.00 per acre bonus.

It is therefore not only patriotic but profitable to increase the barley acreage. Each farmer should attempt to about double the acreage.

The magazine was subscribed for by a girl in Winnipeg. Her name was neatly typed on a yellow label on the cover.

She read her copy one month then gave it to an organization collecting magazines for soldiers. The magazine went overseas. It came to the Naval Vessels Reading Service.

Who stacked it with others in a compact bundle which was bound with Naval rope from Chatham Dockyard.

The bundle was turned over to the Canadian Y.M.C.A. War Services.

The Y.M.C.A. delivered it to an Air Force hospital at which a Supervisor made regular calls. The bundle was opened and the contents distributed among the patients.

The magazine from Winnipeg fell into the hands of a young Canadian airman.

The airman glanced idly at the neatly typed name on the label.

Then he whistled in astonishment.

For the name was that of a girl he had known for years back home in Winnipeg.
